Bulletin Date: 1/23/2017	Bulletin Effective Date: 1/23/2017
Title: Transition from Zentri to Silicon Labs: Part Numbers, Labels and Shipping	
Bulletin Details	
Description:	
<p>On Jan 23, 2017, Silicon Labs completed the transaction to acquire Zentri. The integration of Zentri into Silicon Labs will result in a few relatively minor changes as described below:</p> <ol style="list-style-type: none"> Existing customer purchase orders shipped beginning on Jan 23, 2017, will be fulfilled and shipped by the same manufacturer, and with additional ship-from locations, but done so through the Silicon Labs ERP system. Additional ship-from locations: Silicon Laboratories International Pte. Ltd. No. 6, Serangoon North Ave 5, #06-01 Singapore 554910 Silicon Labs 400, West Cesar Chavez Austin Texas 78701, USA The Zentri inner and outer box (3S) labels will transition as inventory is depleted to the standard Silicon Labs Inner box (HU) & Outer box (3S) shipping labels; see the Production Identification section and Appendix A. All boxes, reels, trays, and moisture barrier bags will transition to Silicon Labs standard materials as inventory is depleted. The commercial invoice (pro forma) and packing list will change to the Silicon Labs standard format. See Appendix A. <p>The following Zentri ordering part numbers [OPN] will be transitioned to new OPN to accommodate Silicon Labs Enterprise software (SAP) and all new orders for these parts will reflect the new part numbers. All other Zentri part numbers will remain the same.</p>

Reason:

Zentri acquisition by Silicon Labs.

Product Identification:

Please refer to Appendix A

Bulletin #1701231

This change is considered a minor change which does not affect form, fit, function, quality, or reliability. The information is being provided as a customer courtesy.

Please contact your local Silicon Labs sales representative with any questions about this notification. A list of Silicon Labs sales representatives may be found at www.silabs.com

Customer Actions Needed:

For customers that order any of the board and part numbers that have changed, please update the part number in your database for future orders and deliveries.

If the customer performs an incoming inspection that includes analysis of labels and/or shipping documents, then those inspection instructions should be updated.

Appendix A
